'ROUND AND ABOUT THE SCHOOL

Since the '45 Football Team's clean sweep of the L.B.F., many other teams have tried to do the same and tied no fewer than six times, but not 'til this year was the '45 performance repeated. The School beat T.C.S. (52-6), Ridley (48-1) and U.C.C. (34-14), Aub Holmes coaching. O.B.'s turned out en masse for the final game with U.C.C., among them the Captains of ten former Teams. Telegrams and messages from O.B.'s to the Team came from far and wide. Fine spirit! The win meant much more than the **L.B.F. championship**. The **Seconds** (Hugh Warburton) were also unbeaten in L.B.F. competition. The **Thirds** (Under 16's) coached by Terry Clifford lost only one game of nine. The **Under 15's** (A and B) coached by the Head-

master and Jack Wright respectively won most of their games. A most successful Football season, climaxed by a well-attended **Football Dance** in the Great Hall. **Hockey** prospects are good according to the coaches, but then the **B'ball** and **Cricket** coaches say the same thing! Could be a great year! An open **Swimming** meet within the School showed up talent worth developing. **Fencing** and **Boxing** groups are working out. Boys are building a "changing hut" at the north end of the **Rinks**. Three **One-Act Plays** (Richard of Bordeaux) will soon be in production. The new theatre is a real stimulus. The **Debating Team** has done well so far. U-VI went to see Shaw's play, "**Arms and the Man**" which they are studying this year. **Dr. Brock Chisolm** spoke to the School recently on the subject of the new outlook required for the survival of the human race. Sponsored by the Toronto Musicians Association, a group of artists presented a **Concert** to an appreciative School a few weeks ago. The official **Opening of the New Buildings** took place on November 24. A plaque honouring the late Headmaster of the School, K. G. B. Ketchum, B.A., LL.D., was unveiled by Mrs. Ketchum. It will be placed in the foyer of "The Kenneth Ketchum Auditorium". Graham F. Towers, C.M.G., B.A., LL.D. ('13) addressed the large and distinguished gathering. Visitors were then invited to look about to see just what had been done in the building and renovations programme 'round and about the School.
